3	Share System Architecture Document – Reading time	10 mins
4	Share Solution Architecture Document – Reading time	10 mins
5	Activity 1 – Practical Implementation	20 mins
6	Activity 2 – Practical Implementation	30 mins
7	Activity 3 – Practical Implementation (<i>to be shared shortly</i>)	30 mins
Total Session Duration		150 mins (2.5 hrs)

Batch Plan

- The **same session flow** will be repeated for **4 batches of students**.
- The sequence, instructions, and timelines should remain consistent across all batches.
- Students will first go through the provided documents and then proceed with the practical activities.
